Subject: Re: Briefing Paper for CHEJ Call

Here are some bio sketches on Karen and Dawn.

Karen Nickel is a founding member of Just Moms STL. She is one of the admins of the Facebook page. She has not taken as public a role as Dawn. She is a more active on social media than Dawn is, and is regularly posting about and encouraging people to attend the community meetings that Just Moms hosts in the same location as the CAG hall.

Dawn is also a founding member of Just Moms STL, and an admin of the Facebook page. She has become the public face of Just Moms, and in the past has regularly been interviewed by media and appeared on the McGraw Milhaven show about West Lake. She was actively involved in bringing Lois Gibbs to St. Louis.
